DEPARTMENT 82 - LIVESTOCK
Livestock Records

1. All records are to be turned in at the Front Office between Monday, July 13th and Tuesday, July 14th by 9:00 am.
2. Records will be judged and exhibited in the commercial building until release time on Sunday. Exhibitors are responsible for picking up records after judging.
3. The records will be judged for neatness, completeness accuracy, appropriate to the exhibitor's age and experience.
4. All beef, sheep and swine market records should be completed using current market price for the sale value.
5. Interest costs for any animal or its feed should be included in expenses.
6. Records may be kept on any number of market animals and breeding animals. If records of both market and breeding animals of one species are kept, only one record set may be submitted per class.
7 Limited to one entry per class.
8. All sets of records should have an entry tag attached to them, please include club name on tag. For classes requiring several individual forms, it would be best to have them in a folder or small notebook.
9. Dates for records to start:
   a. Dairy, Goats, all Breeding Animals and Horses
      January 1st of the current year or when purchased or born
   b. Market Animals:
      When purchased, when started on feed, or when born.
10. First through third year exhibitors in any project area may choose to complete the Michigan 4-H Animal Market Project Record Book for beginning exhibitor.
11. To participate in livestock records you must also bring that animal to fair.
12. Updates were made to the 4-H Market Livestock Books #1177 & #1457 have been replaced with the "Michigan 4-H Animal Market Project Record Book" in a beginner, intermediate & advanced levels. The new books are found online at the link below or at the Extension Office.
