Welcome to the Eaton County Youth Fair. We hope this year's fair will be a learning experience for our exhibitors and an educational, entertaining and pleasant experience for all of our visitors. The Fair Board, along with many volunteers, community leaders and businesses believe strongly in the value of youth and the integrity of the county fair and are proud to be a part of this event which provides a place for the youth to showcase their many talents. It is certainly their dedication and hard work that make this all possible. The Eaton County Fair Board sincerely hopes that this event will continue to grow through the participation and dedication of the people throughout this community. We personally invite you to come to the fair and see for yourself why so many people look forward to the Eaton County Youth Fair.

Thanks for your continued support,

The Fair Book Committee and  
The Eaton County Fair Board
