Swine 2022 “Tag In” Instructions

Please read instructions carefully as there are changes this year due to tagging requirement changes.

Forms and photos must be turned in by **April 29, 2022**. Forms, and hair sample bags can be picked up and dropped off during the following dates and times ONLY:

- Friday, April 1, from 2pm – 5pm at the Extension office
- Wednesday, April 6, from 9am – noon at the Extension office
- Monday, April 11, from 6:30pm – 7pm at Kardel Hall (this is right before the JLA April meeting)
- Tuesday, April 19, from 9am – noon at the Extension office
- Monday, April 25, from 5:30pm – 6pm at Kardel Hall (this is right before the Spring Leader Update meeting)
- Friday, April 29, from 1pm – 5pm at the Extension office

Hogs must have a USDA tag (premise ID/840 tag). There will not be Eaton County Fair tags due to supply chain issues. If a tag falls out or is lost after tagging, it must be replaced with a new tag. Please notify Roger Harris or Clarence Humphrey with any tag changes.

This year we are requiring each member to provide:

- Hair sample from each hog, label bag with the tag number. (Bags will be provided when you pick up tags)
- Each member can tag in up to 5 hogs.
- A photo of each hog that is identifiable. After tagging, submit a follow up photo with the ear tag in ear.
- Each group must return all member forms, hair samples, and photos together by April 29.

If you have any questions, please feel free to contact Superintendent Roger Harris at (517) 819-3410 or Assistant Superintendent Clarence Humphrey at (517) 643-4441.

Thank you,
