

Directions for Proof of Ownership and Tagging of Dairy Beef Market or Feeder Cattle

- DAIRY MARKET STEERS: Leaders or Parents of Exhibitors will need to pick-up ear tags from Caledonia Farmers Elevator Charlotte located at 2166 E. Clinton Trail, Charlotte, MI 48813. Tags will be available starting on **February 1, 2022**. Please ask for Lisa Shilling in the office.
 - Dairy steers that were shown as feeders last year can keep in tag and use it
- DAIRY MARKET STEERS: One tag per animal will need to be placed in the right ear of the animal by **February 28, 2022**. Forms and photos are due **February 28, 2022**.
- DAIRY FEEDERS: Leaders or Parents of Exhibitors will need to pick-up ear tags from Caledonia Farmers Elevator Charlotte located at 2166 E. Clinton Trail, Charlotte, MI 48813. Tags will be available starting on **April 1, 2022**. Please ask for Lisa Shilling in the office.
- DAIRY FEEDERS: One tag per animal will need to be placed in the right ear of the animal by **May 1, 2022**. Forms and photos are due **May 1, 2022**. Vaccination paper work must be turned in on June 1 along with dairy market pen request form.
- After tagging the animal the following photos need to be taken:
 - Headshot of the animal showing the tag. The tag needs to be readable.
 - $\frac{3}{4}$ body shot of the right side of animal with youth at the halter. The ear tag needs to be readable.
 - (for families that have yet to decide which youth is exhibiting which animal that is fine but still have a youth at the halter)
 - Label photos with the Exhibitor name and the tag number
- The form and photos can be submitted to the Dairy Beef Superintendent in one of two ways:
 - Completed forms and labeled photos can be dropped off to
Eaton County Fairgrounds
1025 S. Cochran Ave.,
Charlotte, MI 48813
 - Completed forms and titled photos can be e-mailed to:
eatondairybeef@gmail.com
- Only one form will need to be completed per family with all of the exhibitors and animals listed.
