GENERAL RULES

1. Livestock exhibitors must be in compliance with animal health requirements as defined by the Department of Agriculture. Please refer to the MDARD web site www.michigan.gov/mdard and exhibition requirements for livestock.
2. A maximum number of two (2) equine per exhibitor.
3. All equine, except foals under six months of age and nursing their dam, entered in a fair, exhibition, exposition, or show must test negative to an official Equine Infectious Anemia (EIA) test within the current calendar year. Exhibitors must be able to present proof in the form of an official EIA laboratory report. (Calendar year is defined December 1st through the 31st of the following December (13 months). If an EIA test is not provided the animal will be sent home.
4. Administrative leaders must have their exhibitor's horse or pony project designation forms turned into the horse superintendent or the assistant superintendent as a club and not as individuals by June 1st of the current year to be eligible to exhibit at the Eaton County Fair. A copy of the negative EIA laboratory report MUST be attached to the horse/pony project designation form for the horse or pony being exhibited at the fair. Only 4-H members are eligible to exhibit in the state 4-H show. Each exhibitor may also submit a June 1st form and copy of a negative EIA laboratory report for a back-up horse. A vet's slip along with superintendent's approval would be required for switching horses.
5. Exhibitors may participate in as many classes as they would like.
6. Horses and ponies are to be confined in areas designated by the superintendent.
7. Horse/pony to be exercised morning and evening only by the exhibitor, or a registered Eaton County 4-H horse project leader or a member of their immediate family age 8 or older. Warming up a horse/pony before a class will be done by the exhibitor. Boots are required to be worn while working, exercising, or leading the animal. No twisted x shoes while riding. Helmets will be required only during warm up prior to gymkhana or hunt seat and during those classes. Helmets are required at all times when riding bareback or jumping.
8. All horses or ponies are to be led to and from the show arena behind barn 18 and behind the main arena (between the two fences). Animals are not to be in the campgrounds for any reason.
9. Clubs or exhibitors are responsible for daily cleanup of barns before 10:00 a.m.
10. Exhibitor's age for showing is determined by the age of the exhibitor will attain as of January 1st of the current calendar year. Animal's age for showing to be as January 1st of the current year.
11. Horses and ponies are not to be hired out for rides.
12. No stallions are eligible for showing unless foaled in the current year.
13. Classes will be judged under rules published in the "4-H Horse and Pony Project Show Rules and Regulations" and Eaton County class guidelines. Copies may be obtained from the Eaton County MSU Extension office or on the internet.
14. The same horse or pony cannot be shown by more than one exhibitor.
15. All requests for special considerations are to be made to the superintendent.
16. All ponies must be 56 inches and under and miniature horses must be 34 inches and under. All ponies and miniature horses will be measured on Monday at 10:00 a.m. at the end of the horse arena on the measuring platform by the superintendent or assistant superintendent and a fair board member. Ponies and miniature horses that are not measured at this time will not be permitted to show in a pony or miniature horse classes.
17. Horses are to be entered in halter classes (3 years of age and older) based on their registration. Non-registered horses are to be shown as grade horses. A registered horse is defined as one registered in a breed association recognized by the American Horse Show Association Rule Book. Exhibitors with horses registered in one or more shall choose one registration. A copy of the horse's registration papers shall be attached to the horse and pony project registration form.
18. Aisles are to be kept clean and clear. If radios are used, they are to be played at a low level. Exhibitors are not to use the barns as a recreation area.
19. Major clipping and cleaning is to be done before putting animal on exhibition. Minor clipping and cleaning is to be done in designated areas.
20. All animals are to be confined to stalls with appropriate material (binder twine is not to be used).
